The Town of North Rustico's monthly volunteer recognition for the month of July is the North Rustico Fire Department ! A big "Thank You" for generously volunteering your time and commitment to our Town on Canada Day and all year long. Our Town is lucky to have such an outstanding Fire Department.

Thank You

PEI Gov Health

Do you provide care for an older adult without payment?
If so, then you may be eligible to receive funding through the At Home Caregiver Benefit. The new primary caregiver benefit has been released! If both the person receiving care and the primary caregiver are eligible for the program, the person receiving care will receive between \$250 to \$1,500 per month, depending on their household income. Islanders with a high likelihood of admittance to long-term care may qualify for a new benefit that would enable them to stay in the comfort of their home while receiving ongoing care from a primary caregiver. For more information please visit: PrinceEdwardIsland.ca/AtHomeCaregiver

Fox mange you can help!

Our iconic Island foxes are being affected by Sarcoptic Mange, a condition which is fatal if left untreated. Mange is quickly resolved with ONE treatment of Bravecto (kills mites and protects up to 3 months) and here's where North Rustico residents can help, if you see a sick fox in your area, please let Meg, Field Biologist at Fox Aid know. It's important to include a picture(if possible), time and location of your sighting so that Meg can quickly start a plan to save the fox or foxes. You can reach Meg via the Fox Aid PEI Facebook page or send a text (902)620-1312. Let's work together to save our foxes from needless suffering. Thank you for caring .Fox Aid
