Mayor Heather Mckenna

March ushers in a season of transition; with longer days, increased sunlight and warmer weather. Notably, the last day of winter falls on March 19th, marking the official start of spring.

On Sunday March 9th, Daylight savings time begins. Remember to set your clocks forward by one hour on Saturday night. This is also a good time to check your batteries in smoke detectors to ensure they are functioning properly.

March break is the 17th-21st. We wish all students and teachers a safe and enjoyable March break. As we embrace the changes March brings, lets look forward to the vibrant season ahead.
