Mayor Heather McKenna

February represents the transition, where winter still lingers but days are getting longer, offering anticipation for spring. February is known for Valentine's Day, Black History Month, National Flag of Canada Day and Groundhog Day. February 2<sup>nd</sup> is Groundhog Day. We will find out if winter will last 6 more weeks or call it quits early!!

Black History Month recognizes and celebrates the achievements of African Americans throughout history and acknowledges their struggles. It's a critically important month for education and reflection.

One of many unique days in February is the 17<sup>th</sup> Random Acts of Kindness Day

The North Rustico Town Office will be closed Monday February 16<sup>th</sup> for the Family Day Holiday. We hope everyone has a great long weekend!
