As we welcome the month of September, I hope everyone had a wonderful summer filled with time spent with family, friends, and neighbours. September brings a change of season and a renewed sense of energy as our community settles back into its regular routines.

This is an exciting time of year in our community. With students returning to school, local organizations resuming activities, and residents getting involved in fall events, there are many opportunities to connect with one another and take part in community life. I encourage everyone to support our local businesses, attend community events,

and continue volunteering wherever possible.

Remembrance Day Student Submission

Calling all students!

In honour of Remembrance Day, we invite students to share their thoughts, creativity, and reflections by submitting an original **poem or short story** about remembrance, peace, courage, sacrifice, or the meaning of Remembrance Day.

Selected submissions may be shared as part of our **Remembrance Day ceremony**, giving students an opportunity to have their voices heard as we honour and remember those who served and sacrificed for our country.

Submission Guidelines

- **Open to:** School students
- **Entry:** One original poem or short story
- **Theme:** Remembrance Day, remembering those who served, peace, courage, sacrifice, or related themes
- **Deadline:** October 9th, 2026
- **How to submit:** email to jmckenna@northrustico.com or drop off at the North Rustico Town Office

We encourage students to take part and help make our Remembrance Day ceremony meaningful through their words and creativity.

Let's make school bus safety a priority and ensure everyone gets home safely.

As summer winds down, school buses will soon be back on Island roads. Please give yourself extra time during your commute and remain alert for school buses and students.

We all have a responsibility to understand and follow school bus safety rules. By slowing down, staying focused, and giving buses the space they need, we can help keep our students and bus drivers safe.

National Day for Truth and Reconciliation

September 30 marks the **National Day for Truth and Reconciliation**, a day to honour the children who never returned home from residential schools, the Survivors, their families, and Indigenous communities across Canada.
This day provides an opportunity for all of us to reflect on the history and ongoing impacts of the residential school system, listen to Indigenous voices, and deepen our understanding of the experiences and contributions of First Nations, Inuit, and Métis peoples. Wearing orange is one way to show support and remember the children and families affected by residential schools. **Every step toward understanding, respect, and reconciliation matters.**

Throughout the year residents may experience extreme weather and risks of power outages. If you or someone you know would like to be on our Emergency Measures Comprised Residents list, please contact the town office at 902-963-3211 or email info@northrustico.com
