Person: Marley Doucette	Representing: Town/Fall Flavours
-----------------------------------	--

<p>Background: The Town of North Rustico has hosted a successful Taste of Coastal Communities Fall Flavours event the past two years. The Town has been approached again this year to see if they would like to be on board with hosting the event in 2019.</p>
--

<p>Request: Would the Town of North Rustico like to host the Taste of Coastal Communities Fall Flavours event in 2019</p>
--

Advantages	Disadvantages
<ul style="list-style-type: none"> -Exposure for the Town of North Rustico -Associated with the Fall Flavours brand -The event contributes to our local economy -Event generated a little revenue for the town, approximately \$1,200 (the cost to host event is approximately \$23,000) 	<ul style="list-style-type: none"> -The Town does not own the event meaning many of the logistics are determined by Fall Flavours -Event has been held outside in a tent and the past two years, we've had terrible weather

Required Resources:	Funding from ACOA (looked after by Versatile Management Group) Funding from the Provincial Government Cooperation from local restaurants/food establishments
