

**Town of North Rustico Council
REQUEST FOR DECISION
Topic: Bylaw Enforcement Officer**

Date: May 8th, 2019	Request No: 2019-16 <i>(Office Use Only)</i>
-------------------------------	--

Person: Patsy Gamauf	Representing: Town
--------------------------------	------------------------------

<p>Background: The Town has been receiving complaints regarding the breaking of our Bylaws, example barking dogs – too many dogs – unsightly properties – building without permits etc. It would be good to have someone from outside the Community to speak to residents who are breaking our Bylaws. It may be good to be in contact with a Bylaw Officer while we are updating our Bylaws so we can figure out what works and doesn't work.</p>

<p>Request: To hire a Bylaw Enforcement Officer on a part-time basis.</p>
