<p><b>Background:</b></p> <p>The cenotaph project is nearly complete but there are some finishing touches that need to be finished before the dedication ceremony. Gary Gallant suggested naming the space “Veteran’s Memorial Park” and have a sign erected on a large piece of sandstone. The pillar in which the plaque will be mounted on will not be complete for another 4-6 weeks as per Heritage Memorials. Also, a hedge along the back of the property to separate the cenotaph from the two adjoining residential properties was suggested.</p>
