REQUEST FOR DECISION
Topic: Special Projects Program**

Date: April 8th, 2020	Request No: 2020-15 <i>(Office Use Only)</i>
------------------------------	--

Person: Admin. Staff	Representing: Town of North Rustico
-----------------------------	--

Background: The North Star Recreation Commission has made application over the past years to enable 2 unemployed persons to be hired. These 2 candidates are paid through the North Star Arena and perform work for the Arena, Stella Maris Church and Cemetery, the Watermark Theatre and the Star of the Sea Seniors Club. Because the Town is taking over ownership of the Arena, the application for these 2 people is in limbo and one candidate has contacted the office to ask about the position as he usually starts on the second week of May.

Request: To hire two applicants through the Special Projects Program if funding is approved.

Advantages To give work to 2 candidates.	Disadvantages To perform work for other organizations outside of the Town's ownership.
