Person: Marley Doucette	Representing: Town/Purchaser of Lot 30
-----------------------------------	--

Background: Last summer, we sold lot 30 to Walid Wakim of Chicago, Il. He hadn't closed on his lot. We spoke in the new year so we were making arrangements to have the sale closed and then the pandemic happened. He would like to close in June/July if things are okay to do so regarding the pandemic.

Request: To allow an extension of the closing of lot 30 due to the pandemic.
