<p>Background: Teacher, resident of the town for 7 years.</p> <p>home residence at 126 Church Hill Avenue. Only one neighbor on right side of house (50 feet away) Field and pond in backyard.</p>

<p>Request: To raise a total of 3 hens for eggs only. They will be secured and not free ranged.</p>
--

Advantages	Disadvantages
<ol style="list-style-type: none"> 1. Family food source 2. Closed in hen house 3. No rooster. <u>No morning noise</u> 4. Make great pets for therapy. 	<p>I do not think there will be disadvantages for my neighbor as the hens will be secured and not roaming. Little upkeep for 3 hens and no big mess.</p>

Required Resources:	<p>Already have a shed on premises. I have raised hens before and know how to care for them.</p> <p>Chicken feed/ shavings for the hen boxes</p>
