Sealed tenders will be received until 12:00 noon November 10th, 2023 for snow removal, salting and sanding. Please quote each of the following separately snow removal EWC, salting EWC parking lot including drive way and sanding. Please be advised that the lowest, or any tender will not necessarily be accepted. Supply of all labour and equipment necessary to complete the work described below. If subcontracting any services please indicate the subcontractor's name and contact information.

Tender to commence **December 1st to April 15th** – any snow clearing required before this date is billable separately to the Town of North Rustico.

Specifications Snow Removal Eliyahu Wellness Centre (EWC)

1. Snow clearing of the EWC's parking lot starting from 20 Recreation Drive to top end of the parking lot and all areas included in this – See map RED highlighting areas requiring clearing (this includes fire/emergency access gravel road behind facility).
2. In addition - Snow clearing to the service doors, by Zamboni room and also garbage containers at the back side of the parking lot.
3. Snow banked/piled to the to the back gravel portion of the parking lot and Snow removed when required so as not to encroach on neighboring properties or asphalted carpark area – see map GREEN outline for snow pile area. Once the solid GREEN area is being used to bank snow, this should trigger snow removal.
4. Salting or Sanding as requested by General or Operations Manager
5. Priority service must be given to drive way and the front 20 parking spots (for 5:45am Monday to Friday, 6am Saturday and 7:30am Sunday.) Outlined in ORANGE on the map
4. Tender is based on snow being pushed to the edges of parking and driving area (blowing snow back as required.)
