North Rustico Cenotaph written by Vernon Buote

Early in 2020 members of the local Father JD McNeil Knights of Columbus Council and Father George Antoine Belcourt Patriotic Assembly decided to honour military veterans by erecting small memorial crosses at the local cenotaph with the town's permission.

Research for the project revealed names of numerous deceased veterans from North Rustico and nearby communities with past service in the Boer War as well as wars, conflicts, peacekeeping, Cold War and peacetime until the present day. To date, approximately 450 white crosses, each named for a veteran, are placed near the Cenotaph one week before November 11th.

With assistance by brother knights and students from the local Mount Academy the crosses are mounted in rows as in a cemetery.

Many thanks all who contribute in any way; especially our brother knights and students as well as the Town of North Rustico for enabling the solemn event by organizing wreath sales, the service at the cenotaph, as well as providing hot beverages for all the volunteers setting up the crosses.
